**TENDER/BID NOTICE FOR HIRING OF OFFICE ACCOMODATION ON LEASE/RENT BASIS**

**NOTICE INVITING GeM-Tender  
FOR HIRING OFFICE PREMISES FOR LONG TERM LEASE.**

The Commissioner of CGST & Central Excise Commissionerate, Varanasi, invites Tender / Bid (through GeM portal) from the interested persons for providing readily built office premises (in "Ready to Move" condition) at following location in Varanasi, having proper approach road, entrance with adequate parking and toilet facilities for accommodating the CBIC's Authorized Representative for GSTAT Tribunal, Additional Sitting Bench in Varanasi (for which separate tender/bid notice for hiring of office accommodation is being initiated) for a minimum period of Eight (08) to Ten (10) years.

Sl. No.	location	Approx. carpet area required
1	Any prominent place in Varanasi City	6327 Sq. ft

1. Interested persons should send their proposal/quotation through GeM portal.

**Specifications which may be referred to:**

- i. General Instructions and Terms & Conditions of this contract: **Annexure I**
- ii. Requirements and facilities to be provided by the bidder: **Annexure-II**
- iii. NIC guidelines for Network cabling Work: **Annexure-III**
- iv. Formats of Technical Bid: **Annexure-IV** (with Undertaking)
- v. Format for Financial Bid: **Annexure-V**
- vi. Declaration: **Annexure-VI**
- vii. Tender acceptance letter: **Annexure-VII**
- viii. Space requirements: **Annexure-VIII**

2. The Proposal should be submitted in two parts. The first part should be the "**Technical Bid**" which should contain technical parameters like Address of the building, Carpet area as well as built up area, design of the premises, availability of parking space, air conditioning standards, year of construction etc. The Second part should be the "**Financial Bid**" which should indicate the rent proposed to be charged and the other financial terms and conditions. Both bids should be filed separately through GeM Portal.

3. The critical dates for the Tender submission and processing are as under –

Publishing Date	As per GeM Portal
Bid Submission End Date	As per GeM Portal
Technical Bid Opening Date	As per GeM Portal
Financial Bid Opening date (Those bidders who have qualified in the Technical Bids)	As per GeM Portal

*Handwritten signature and date: 10/12/21*

## ANNEXURE- I

### GENERAL TERMS AND CONDITIONS:

1. The Technical Bid should be accompanied by the following documents:
  - I. Location Map.
  - II. Copy of agreement for acquisition of property.
  - III. Approved plan of the offered premises with exact measurement for carpet area as well as build up area.
  - IV. NOC from Fire Department.
  - V. Certificate of Assessment of property tax by concerned authority.
2. The premises offered should be in ready to move condition and the owners of the premises will have to hand over the possession of premises within 60 days including the period to create/alter partitions as per provided sitting plan after acceptance of their offer. The offer should be valid for a minimum period of 4 months from due date of opening the tender / bid.
3. Offers received from Public sector units/Government bodies would be given preference.
4. **Preference will be given to offer accommodation requirements for GSTAT Tribunal & CBIC's AR Office in same building.**
5. The building should have running water supply & preferably assured power back-up on continuous basis.
6. Bonafide owners of premises who possess free hold title on the said premises and who are legal owner to let the premises to the Department are only invited to participate in the tender. Tender / bid from intermediaries or brokers will not be entertained.
7. The premises offered should consist of the minimum amenities/ facilities as mentioned in **Annexure-II** enclosed to this tender / bid notice.
8. The premises offered should have construction approvals from all Central /State Government Department as may be necessary by the local authorities.

9. The Owner would be required to get the premises insured against all types of damages due to various causes during the entire period of rent contract.
10. All the common amenities available in complex shall be made available to officers of CGST in that complex.
11. The legal owner of the building should provide adequate parking for Govt./Visitors vehicles.
12. The legal owner will undertake to carry annual repairs and maintenance every year and any repairs connected with the basic structure on the suggestion of the department.
13. In case of high-rise building, provision of lift is essential with assured power backup.
14. The office space should have energy efficient electric fixture like fans, tube lights, switches, power points of ISI/BIS specifications. The space offered should be free from any liability and litigation with respect to its ownership.
15. There should be separate provision of toilets for ladies and gents with sanitary and water supply installation on each floor.
16. The building should be secure enough to protect the government property.
17. Finalization of rent based on location and quality of construction is subject to certification of CPWD/hiring committee and also subject to final approval and sanction by the Principal Chief Commissioner, CGST & Central Excise, Zone Lucknow/Competent Authority on behalf of Government of India, as per rules framed in this regard.
18. All the details and documents mentioned in the tender form must be submitted. A tender having incomplete details / documents are liable to be rejected. The bidder, before submitting the tender should satisfy himself/herself about correctness and authenticity of the details and documents submitted. Submission of wrong details / documents would render the tender invalid.
19. The owner should make available the building for inspection by the officers of the CGST & Central Excise, Commissionerate Varanasi after the opening of the technical bids.
20. The minimum period of lease should be for duration of Eight (08) years.

21. Commissioner, CGST & C. EX, Commissionerate, Varanasi, reserves the right to amend these terms and conditions as it deem necessary.
22. Participation in the bid does not entail any commitment from Commissioner, CGST & C. EX, Commissionerate, Varanasi. He/she reserves the right to reject any / all offers, including that of the lowest bidder without assigning any reason.
23. This Department reserves the right to terminate the contract at any point during the contract period with one month notice.

The above conditions may be relaxed due to administrative reasons in appropriate case. The terms & conditions mentioned from Sr. No. 1 to 23 will constitute the technical specification. The rent demanded per square feet of the carpet area will constitute the Financial Bid. The rent offered should be inclusive of property tax, or any other tax required to be paid by the property owner/s. The lease shall be for a minimum period of Eight (08) years subject to the conditions as may be prescribed by the Government from time to time.

## ANNEXURE- II

### (FACILITIES REQUIRED TO BE PROVIDED BY THE OWNER)

1	There should be provisions for 24 hours, Electricity and Water supply.
2	<p>The building should be in a ready-to-move condition wherein all works including works viz. civil, electric, plumbing, partitioning, network cabling etc required for making the building in a ready to move in condition for the CBIC's AR will be done by the owner with the following work:</p> <ul style="list-style-type: none"><li>a. Partition work as per norms mentioned in <b>Annexure-VIII</b></li><li>b. Network cabling work as per <b>Annexure- III</b></li><li>c. All electrical &amp; plumbing work.</li></ul>
3	Facility for installing generators.
4	Sufficient parking space.
5	The area proposed should preferably be on the floors which are continuous to each other.
6	There should be proper approach road and entrance to the proposed building.

Annexure-III  
NIC guidelines for Network Cabling Work

**1. UTP Cabling Guidelines**

- All the Copper cable should be laid in PVC Duct/PVC conduit/MS pipe to protect the physical damages.
- All CAT 6 UTP cable should be POE supported.
- According to cabling standard, UTP cable can be laid only up to 90 meters. (Jack Panel to User end I/O).
- Use cable ties/velcro tie to keep cables together, and label both ends of each cable.
- Keep cables free of tension, and pull them with less than 25 pounds of force.
- Avoid sharp corners, and inspect cable routes for surfaces that could abrade the cable.
- Test every segment of the network with a LAN cable tester/penta-scan.
- Label every termination point at both ends, and use a unique number for each network link.
- Leave at least 5 feet of slack at the work outlet end, and 10 feet at the patch panel end.
- One extra node at a suitable distance be provided for every 2/3 nodes as substitute.
- Nodes points should be provided at suitable easily accessible height.
- All cables in the false ceiling should be covered in flexible conduit pipes.
- 15-20% ports should be kept free for connections in L2 Switches for any eventuality to existing node/port.
- Cascading of L2 Switching should not be permitted in any circumstances, parallel connection with the back bone be provided to all L2 switches.
- Over all laminated approved LAN diagram of the bench to be kept with SOC's (through SDWAN managed by GSTn Centre) for effective LAN Management.
- Floor wise and section wise LAN diagram be laminated and pasted to easily accessible place for network engineer attending the bench network problems.
- When routing cable, maintain the following minimum distances from power sources:
  - 1- Six inches from power lines of 2 kilovolt - amperes or less
  - 2- One foot from high-voltage lighting, including fluorescent
  - 3- One yard from power lines of 5 kVA or greater than 3.5 feet from transformers and motors

**2 NOC Room (Network Operation Centre), if any:**

- Provisioning of two NOC Rooms at different locations/floors/Bay. Space size for main NOC should be 600sqft and for DR NOC 300sqft.
- NOC rooms must have separate suitable partition for Network equipment /Racks for monitoring desk / network support team.
- It should have at least one wall to place the display device/IP TV/Screen.

- Provisioning of two entry/exit gates in NOC & DR NOC. The gates should be full/half transparent doors for inside view.
- Provisioning of 24x7 main central Air Conditioning with a provision of separate Window AC's for emergency with auto temperature & humidity controller.
- Appropriate Power Backup must be incorporated through UPS for 24x7 operations. This power backup needs to be specific for NOC, other than the centralized one.
- Dust-free, dry & cool environment must be ensured for each NOC.
- Fire safety provision for running 24x7 operation must be ensured, this should be connected with central building Fire Controller System. Smoke & fire detector with inactive gas based extinguisher & sprinkler may be incorporated.
- Provision of separate signal Grounding for NOC must be ensured (Signal grounding should be different from building earth & electrical grounding). The Signal grounding should also be extended to all other Racks (containing the Network equipment).
- All the civil works like flooring, partitioning, false ceiling must be done in the NOCs.
- For all electrical power points feeding the Network Devices Neutral to GND potential difference should be less than 2 volts.
- The electrical power points should be without On-OFF switch and with the light indicator.
- Provision of entry of cables into the NOC room through cable tray above the false ceiling and the false ceiling should be easily open-able for any maintenance activity.
- Pest control to be done at regular interval (minimum twice a month).
- The NOC should have restricted access with Access Control mechanism, should be under CCTV monitoring. Only authorized person should enter into the NOC. The access to equipment area/racks should also be restricted.
- The backbone OFC should be properly marked representing their respective Racks connectivity and terminated on LIU with proper labeling.
- The extra Fiber backbone cables must be handled properly either beneath the false flooring or in a separate box or in the bottom of the Rack.
- All the equipment should be properly mounted in Racks and the racks should be closed properly.
- No live equipment should be loosely placed without mounting in the rack.
- The horizontal cabling i.e. UTP should be terminated on Jack Panels and should have appropriate labeling and properly dressed.
- Loose/ hanging cables should be avoided. For this, Wire Managers/ Cable Tie should be used.
- Cables should be laid via Raceway/ Conduit Pipes/ Ducts etc to avoid chewing of cables from Rodents.
- Different color of cables can be used to differentiate the WAN/ LAN/ Firewall/

NMS connectivity.

- Appropriate gaps should be maintained between Active LAN Components to increase air flow and reduce heat dissipation. Between them, Jack Panels/ Wire Manager should be installed

### **3 Fibre Cabling Guidelines- Indoor/Outdoor**

- All the optical fibre cables should be laid in PVC Duct/PVCconduit/MS pipe to protect the physical damages.
- Primary and secondary fibre backbones are required to minimize network downtime and ensure that the network is always operational.
- Make sure that to use different route for primary and secondary fibrecable.
- Before installation, assess the route for obstacles and determine the installation methods.
- Create a written plan that includes the equipment, supplies, and installation methods.
- Fibre is strong when pulled straight, but can break if bent too tightly.
- For indoor installations, use pull boxes to allow cable access for back-feeding at every third 90° bend.
- For outdoor installation, choose Fibre optic cables which can be installed outdoors.
- Use route marker every 50 meters distance if fibre is under grounded, so that there is no problem in finding the fibre route in future.
- Use fibre chamber If outdoor fibre cable is long.
- Under grounded cable should be laid in HDPE/GI pipe to protect the physical damages.
- After installation, use a fibre optic tester (OTDR & OLTS) to ensure the signal is strong and stable.

### **4. Fibre Splicing Guidelines**

- Clean the splicer and fibre holder, and the fibre ends and connectors with lint-free wipes and cleaning solutions.
- Wear protective equipment like gloves, goggles, and aprons.
- Use a high-quality fibre cleaver to create a clean, accurate, and precise break at a 90° angle.
- Ensure precise alignment of the fibre ends.
- Choose the appropriate splicing method based on the fibre type and network requirements.
- Use a fusion splicer to melt and permanently fuse the fibre ends together.
- Use a heat shrink tube to protect the splice after fusion.
- Use power meters, OTDRs, or other testing equipment to validate the quality of the splices.
- Organize and protect spliced fibres using fibre splice trays, fibre enclosures, or protective sleeves

**ANNEXURE-IV**  
**(TECHNICAL BID)**

TECHNICAL BID SHOULD INTER-ALIA CONTAIN DETAILS AS FOLLOWS:

1	Full particulars of the legal owner of the premises Name: Telephone: E- mail Address: PAN No.: Aadhar No. The location and address of the proposed premises:
2	Full particulars of person(s) offering the premises on rent/ lease and submitting the tender /
3	Status of the applicant with regard to the premises offered for hiring {To enclose power of attorney also if the applicant is other than owner)
4	Type of building - commercial or residential
5	Complete Address and location of the building. Details of the Accommodation offered for rent (viz. carpet area, no. of floors, floor wise area) (Certificate to be enclosed)
6	Detailed approved plan of the accommodation with copy
7	Date of Construction
8	Exact carpet area
9	Exact built up area
10	Floor numbers offered
11	No. of floors in the building
12	Floor wise No. of toilet
13	Distance from nearest railway station / bus stand/stop and name of the railway station / bus stand/stop
14	Other facilities and amenities available with the building
15	Type, model, company and no. of lifts available / carrying capacity to be provided
16	Parking space available for department area and to specify how many nos. of vehicles can be parked
17	Whether accommodation offered for rent is free from litigation including disputes with regard to ownership, pending taxes / dues or like (To enclose copy of Affidavit from owner or Power of Attorney holder).

18	Whether running water, drinking and otherwise, available round the clock. Whether sanitary and water supply installations have been provided for?
19	Whether separate electricity source having sufficient installed capacity has been provided for?
20	Sanctioned Electricity load
21	Whether building has been provided with fans in all rooms or not (If yes, give the no. of fans floor wise)
22	Details of power back up facility / ground space for installing Generator DG Set
23	Details of Fire Safety Mechanism, if any
24	Specify the lease period {minimum 08 (Eight)} years and provision for extension
25	If there are readily built cabins suitable to use or to make cabins as per requirement of office.
26	The charges for maintenance of air-conditioning equipment, if centralized and lifts as the case may be
27	Charges for parking space, if any.
28	Charges for security, if any.

I/We..... son/daughter of..... have gone through the various terms and conditions mentioned in the tender documents and I/we agree to abide by them. I/We.....solemnly declare that, to the best of my knowledge and belief the information given above and in the enclosures accompanying it is correct complete and truly stated.

1. If the bidder is a Micro or Small Enterprise as per latest definitions under MSME rules, the bidder shall be exempted from the requirement of "Bidder Turnover" criteria and "Experience Criteria" subject to meeting of quality and technical specifications. If the bidder is OEM of the offered products, it would be exempted from the "OEM Average Turnover" criteria also subject to meeting of quality and technical specifications. In case any bidder is seeking exemption from Turnover / Experience Criteria, the supporting documents to prove his eligibility for exemption must be uploaded for evaluation by the buyer.
2. If the bidder is a Startup, the bidder shall be exempted from the requirement of "Bidder Turnover" criteria and "Experience Criteria" subject to their meeting of quality and technical specifications. If the bidder is OEM of the offered products, it would be exempted from the "OEM Average Turnover" criteria also subject to meeting of quality and technical specifications. In case any bidder is seeking exemption from Turnover / Experience Criteria, the supporting documents to prove his eligibility for exemption must be uploaded for evaluation by the buyer.
3. Purchase preference to Micro and Small Enterprises (MSEs): Purchase preference will be given to MSEs as defined in Public Procurement Policy for Micro and Small Enterprises (MSEs) Order, 2012 dated 23.03.2012 issued by Ministry of Micro, Small and Medium Enterprises and its subsequent Orders/Notifications issued by concerned Ministry. If the bidder wants to avail the Purchase preference for services, the bidder must be the Service provider of the offered Service. Relevant documentary evidence in this regard shall be uploaded along with the bid in respect of the offered service. If L-1 is not an MSE and MSE Service Provider (s) has/have quoted price within L-1+ 15% of margin of purchase preference /price band as defined in the relevant policy, then 100% order quantity will be awarded to such MSE bidder subject to acceptance of L1 bid price. The buyers are advised to refer to the [OM No.1 4 2021 PPD dated 18.05.2023](#) for compliance of Concurrent application of Public Procurement Policy for Micro and Small Enterprises Order, 2012 and Public Procurement (Preference to Make in India) Order, 2017. Benefits of MSE will be allowed only if the credentials of the service provider are validated on-line in GeM profile as well as validated and approved by the Buyer after evaluation of submitted documents.

4. Estimated Bid Value indicated above is being declared solely for the purpose of guidance on EMD amount and for determining the Eligibility Criteria related to Turn Over, Past Performance and Project / Past Experience etc. This has no relevance or bearing on the price to be quoted by the bidders and is also not going to have any impact on bid participation. Also this is not going to be used as a criteria in determining reasonableness of quoted prices which would be determined by the buyer based on its own assessment of reasonableness and based on competitive prices received in Bid / RA process.

The additional terms and conditions have been incorporated by the Buyer after approval of the Competent Authority in Buyer Organization, whereby Buyer organization is solely responsible for the impact of these clauses on the bidding process, its outcome, and consequences thereof including any eccentricity / restriction arising in the bidding process due to these ATCs and due to modification of technical specifications and / or terms and conditions governing the bid. If any clause(s) is / are incorporated by the Buyer regarding following, the bid and resultant contracts shall be treated as null and void and such bids may be cancelled by GeM at any stage of bidding process without any notice:-

1. Definition of Class I and Class II suppliers in the bid not in line with the extant Order / Office Memorandum issued by DPIIT in this regard.
2. Seeking EMD submission from bidder(s), including via Additional Terms & Conditions, in contravention to exemption provided to such sellers under GeM GTC.
3. Publishing Custom / BOQ bids for items for which regular GeM categories are available without any Category item bunched with it.
4. Creating BoQ bid for single item.
5. Mentioning specific Brand or Make or Model or Manufacturer or Dealer name.
6. Mandating submission of documents in physical form as a pre-requisite to qualify bidders.
7. Floating / creation of work contracts as Custom Bids in Services.
8. Seeking sample with bid or approval of samples during bid evaluation process. (However, in bids for [attached categories](#), trials are allowed as per approved procurement policy of the buyer nodal Ministries)
9. Mandating foreign / international certifications even in case of existence of Indian Standards without specifying equivalent Indian Certification / standards.
10. Seeking experience from specific organization / department / institute only or from foreign / export experience.
11. Creating bid for items from irrelevant categories.
12. Incorporating any clause against the MSME policy and Preference to Make in India Policy.
13. Reference of conditions published on any external site or reference to external documents/clauses.
14. Asking for any Tender fee / Bid Participation fee / Auction fee in case of Bids / Forward Auction, as the case may be.
15. Any ATC clause in contravention with GeM GTC Clause 4 (xiii)(h) will be invalid. In case of multiple L1 bidders against a service bid, the buyer shall place the Contract by selection of a bidder amongst the L-1 bidders through a Random Algorithm executed by GeM system.

Further, if any seller has any objection/grievance against these additional clauses or otherwise on any aspect of this bid, they can raise their representation against the same by using the Representation window provided in the bid details field in Seller dashboard after logging in as a seller within 4 days of bid publication on GeM. Buyer is duty bound to reply to all such representations and would not be allowed to open bids if he fails to reply to such representations.

This Bid is governed by the [General Terms and Conditions/सामान्य नियम और शर्तें](#), conditions stipulated in Bid and [Service Level Agreement](#) specific to this Service as provided in the Marketplace. However in case if any condition specified in General Terms and Conditions/सामान्य नियम और शर्तें is contradicted by the conditions stipulated in Service Level Agreement, then it will over ride the conditions in the General Terms and Conditions.

In terms of GeM GTC clause 26 regarding Restrictions on procurement from a bidder of a country which shares a land border with India, any bidder from a country which shares a land border with India will be eligible to bid in this tender only if the bidder is registered with the Competent Authority. While participating in bid, Bidder has to undertake compliance of this and any false declaration and non-compliance of this would be a ground for immediate termination of the contract and further legal action in accordance with the laws./जेम की सामान्य शर्तों के खंड 26 के संदर्भ में भारत के साथ भूमि सीमा साझा करने वाले देश के बिडर से खरीद पर प्रतिबंध के संबंध में भारत के साथ भूमि सीमा साझा करने वाले देश का कोई भी बिडर इस निविदा में बिड देने के लिए तभी पात्र होगा जब वह बिड देने वाला सक्षम प्राधिकारी के पास पंजीकृत हो। बिड में भाग लेते समय बिडर को इसका अनुपालन करना होगा और कोई भी गलत घोषणा किए जाने व इसका अनुपालन न करने पर अनुबंध को तत्काल समाप्त करने और कानून के अनुसार आगे की कानूनी कार्रवाई का आधार होगा।

---Thank You/धन्यवाद---
